Congratulations to every single performer who sent in a video for the festival this year

I received over 800 videos across drama, piano, instrumental and singing and our adjudicators have been so complimentary of all your performances. I look forward to seeing you all in person next year. The dates for 2022 are on the website www.miltonkeynesfestival.org and you can enter from August this year until 31 December. Take care until then and sending you all best wishes

Pat Haig, Festival Organiser and Festival Joint Chair
