

RESULTS!

Congratulations to every single performer who sent in a video for the festival this year

I received over 800 videos across drama, piano, instrumental and singing and our adjudicators have been so complimentary of all your performances. I look forward to seeing you all in person next year. The dates for 2022 are on the website www.miltonkeynesfestival.org and you can enter from August this year until 31 December. Take care until then and sending you all best wishes
Pat Haig, Festival Organiser and Festival Joint Chair

Certificates, feedback sheets and medals where appropriate will be posted out to you direct or to your teachers very soon. If you have not received the links to view your classes please email me on pathaig@me.com
